LETTER REGARDING PAYMENT OF ISSUE FEE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir/Madam:

Regarding the above-identified application, payment of the issue fee was initiated by submission of PTOL-85 Part B on January 6, 2005. However, to date, it appears that the USPTO has not debited the proper issue fee amount in connection with the above-referenced application. Copies of the Part B form after being received by OIPE on January 10, 2005, have been retrieved from Applicant's private PAIR, and are enclosed for reference.

On the enclosed Attachment 1 copy of the Part B form, Applicant checked box 5b, indicating that Application is no longer claiming small entity status. The enclosed Attachment 2 copy of the Part B form indicates that the PTO associated payment of the issue fee in the amount of \$700 - the small entity issue fee amount - with application number 09/620,831. It will be appreciated that this is not the application for which the Part B was submitted. Moreover, 09/620,831 is not an application for which Applicant has an interest in or with which Applicant is connected.

Following a conversation between the undersigned and personnel in the deposit account department at the PTO, the association of the issue fee was corrected so that Applicant's deposit account statement for May 2005, reflects a credit of \$700 to the account in connection with 09/620,831 and an offsetting debit of \$700 in connection with 09/620,821. Thus, Applicant has been credited with paying the issue fee for the above referenced application.

Adjustment date: 05/23/2005 SLUANG1
05/03/2005 DTERRY 00000001 012125 09620821
01 FC:2501 700.00 CR

05/23/2005 SLUANG2 00000001 012125 09620821
01 FC:1501 1400.00 DA

However, it appears that only \$700, or the amount that would be due for a small entity, has been credited for the issue fee. Enclosed are copies of statements for Applicant's deposit account for the months of January 2005, February 2005, and May 2005 to date, respectively labeled as Attachment 3, Attachment 4, and Attachment 5.

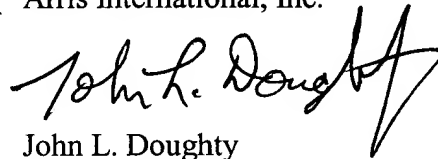

Attachment 3 shows that Applicant's deposit account was not debited for an issue fee for either 09/620,831 or 09/620,821 in January 2005, the month in which the Part B from Applicant was received by OIPE. Attachment 4 shows that \$700 was debited to Applicant's account for 09/620,831 during February 2005. This corresponds with the stamp on Attachment 2 showing that \$700 was paid from deposit account 01-2125 for 09/620,831 on February 28, 2005. Attachment 2 shows that subsequently, on May 3, 2005, Applicant's deposit account was debited \$700. It is unclear due to the location of the stamp which application this \$700 was attributed to, but Attachment 5 shows that \$700 was debited to account 01-2125 for 09/620,821 on the same day that \$700 was credited to the same account for 09/620,831.

Thus, evaluation of the deposit account statements for 01-2125 and the stamps on the Part B copies indicates that only \$700 has been paid for the issue fee for 09/620,821. Since Applicant is not a small entity, and Applicant indicated that it was no longer claiming small entity status on the Part B that was submitted in January 2005, Applicant hereby requests that an additional \$700 be debited to deposit account number 01-2125 for the remainder of the issue fee due in application 09/620,821. If there are any questions, please contact the undersigned at your convenience.
